

# **Snack-Time**

## **Sight Word Bingo Instructions**

### **Materials:**

- **Dice or a free Dice app downloaded on your phone (I use one called "Dice")**
- **Your favorite snack that is small enough to fit into the boxes (fruit snacks, cheerios, goldfish)**

### **Instructions:**

**This game can be played alone or with a friend, or a parent! Roll the Dice, whatever number it lands on, pick a word from that row and read it out loud. If you get it correct then you get to mark the board with your snack! If you are playing with someone else, they get to do the same with a different snack. Whoever reaches BINGO first wins all the snacks!**
